Policy Statement

This policy outlines Manor Multi Academy Trust's ('we' / 'our' / 'us') expectations of our employees' in relation to supporting pupil attendance.

We are committed to equality and value diversity. As such we are committed to fulfilling our Public Sector Equality Duty (Equality Duty) obligations and expect all staff and volunteers to share this commitment.

This policy should also be applied in accordance with our Safeguarding and Child Protection Policy.

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- <https://www.legislation.gov.uk/ukxi/2006/1751/contents> [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

<https://www.legislation.gov.uk/ukxi/2013/757/regulation/2/made> It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

Copies of all our policies and procedures can be accessed via the **All-MAT Staff** area on Teams.

The Equality Duty requires us to have due regard to the need to:

- Eliminate unlawful discrimination, harassment, and victimisation.
- Advance equality of opportunity.
- Foster good relations between people who share protected characteristics, such as age, gender, race and faith, and people who do not share them.

If staff consider that any of our practices, policies or procedures may be indirectly discriminatory, they should report their concerns and the basis for them to their line manager, who will take appropriate action and ensure that the staff member receives a written response in respect of the concerns that they have raised.

This policy does not form part of staff contracts of employment. We reserve the right to amend or withdraw this policy at any time.

The Trust is responsible for ensuring the effective implementation of this policy. As part of equality monitoring we will review and monitor the operation and impact of the policy on a regular basis and in accordance with the policy review date. As part of this monitoring and review this policy will be equality impact assessed.

1. Scope

This policy applies to our Directors, employees and pupils.

2. Aims & Principles

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

3. Roles and responsibilities

3.1 Directors

The Directors of Manor Multi Academy Trust are responsible for the following, some of which may fall within the remit of each school's Support and Challenge Advocate (via – for example – Progress Board meetings), and some of which they may choose to delegate to the CEO/CEA (see our Scheme of Delegation):

- Setting high expectations of all school and Trust leaders, staff, pupils and parents
- Making sure school/Trust leaders fulfil expectations and statutory duties, including:
 - Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority

- Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the Trust's policies and ethos
- Making sure the Trust's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the Trust has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping Trust leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with Trust leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils' needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- All staff will receive annual training on attendance expectations, safeguarding links, and escalation procedures. Staff with specific attendance responsibilities will receive enhanced training, including interpreting attendance data and engaging families effectively.
- Sharing effective practice on attendance management and improvement across our MAT schools
- Holding the CEO/CEA to account for the implementation of this policy
- Our Advocate for Safeguarding will attend our MAT termly Safeguarding Network to take part in the sharing of good practice and overseeing how Executive Leaders strengthen practices across all of our MAT schools.

3.2 The CEO/CEA

The CEO/CEA is responsible for holding Headteachers to account for the responsibilities detailed below.

3.3 The Headteacher

The headteacher for each of our schools is responsible for:

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to Progress Board, attended by the CEO/CEA and Support and Challenge Advocate

- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary, and/or authorising Safeguarding and attendance leads to do so or to be able to do so
- Working with the parents of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers
- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

The Headteacher will ensure that attendance training is embedded into the school's CPD programme and that staff are equipped to identify early signs of attendance concerns and respond appropriately.

3.4 The designated senior leader responsible for attendance

The designated senior leader (also known as the 'senior attendance champion') is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff
- Liaising with pupils, parents/carers and external agencies, where needed
- Building close and productive relationships with parents to discuss and tackle attendance issues

- Creating intervention or reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families

The designated senior leader responsible for attendance in our school is Mrs R James, Head of School and can be contacted on 0121 556 0370. This role is recognised as the Senior Attendance Champion in line with DfE guidance.

3.5 The attendance officer

The school attendance officer is responsible for:

- Monitoring and analysing attendance data (see [Supporting pupils who are absent or returning to school](#))
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the headteacher
- Working with education welfare officers to tackle persistent absence
- Advising the headteacher when to issue fixed-penalty notices

The attendance officer in our school is Miss L Howells and can be contacted on 0121 556 0370.

3.6 Class teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see [Appendix 1](#)), and submitting this information to the school office using BromCom.

3.7 School office staff

School office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the Head/ Attendance Leads/ Year Group Leaders where appropriate, in order to provide them with more detailed support on attendance

3.8 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before the start of the school day on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- To keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting the school to ask for support

3.9 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register and will place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. We will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See [Appendix 1](#) for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.30am and ends at 3.30pm.

Pupils must arrive in school by 8.30am on each school day.

The register for the first session will be taken at 8.40am and will be kept open until 9am. The register for the second session will be taken at 1pm and will be kept open until 1.10pm.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by the start of the school day or as soon as practically possible, by calling the school admin office staff, who can be contacted via telephone on 0121 5560370.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

Parents should request leave of absence forms for the school admin office. However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to [section 5](#) to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- Where lateness is persistent parents will be asked to meet with the Senior Leader for attendance so that school can support them with any issues they have in getting children to school on time

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may carry out a home visit and if they still are not able to make contact they may call the Multi Agency safeguarding Hub at the Local Authority
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: the school may issue a notice to improve, penalty notice or take other legal action as outlined in [section 5.2](#) below.

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in [section 3.8](#) of this policy) about their child's attendance and absence levels through Parents BromCom App daily and in end of year reports.

4.7 Deletion from the Admission Register

The school will only delete a pupil's name from the admission register in accordance with Regulation 9 of the School Attendance (Pupil Registration) (England) Regulations 2024. This includes circumstances such as transfer to another school, permanent exclusion, or where the pupil has ceased to attend and their whereabouts are unknown after reasonable enquiries. The school will notify the Local Authority of any such deletions and retain accurate records of attendance up to the date of removal.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as

- Where an absence from school is recommended by a health professional as part of a parent or child's rehabilitation from a medical or emotional issue.
- The death or terminal illness of a close relative, only if the Headteacher is satisfied that the circumstances are truly exceptional.
- Out of school programmes such as music, arts or sport operating at a high standard of achievement. Documentary evidence of this event will be required.
- Religious observance – [The Education Act 1996 S444\(3\) \(c\)](#), states "on any day exclusively set apart for religious observance by the religious body to which [their]

parent belongs”

- To attend a wedding or funeral of a close relative if the Headteacher is satisfied that the circumstances are truly exceptional; leave should only be authorised for this purpose when a Headteacher is satisfied that there is a persuasive reason for holding the wedding during term time and there WILL be an onus on parents to show clear evidence that this absence is absolutely an exceptional circumstance. In difficult family situations, the Headteacher may use their discretion in granting leave and each case should be addressed on its individual merits, taking into account the overall welfare of the child.
- Children of service personnel about to go on deployment (permission would be considered as long as the request is accompanied by a letter from the Commanding Officer).
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision.
- Where there are exceptional and unforeseen circumstances that fall outside of the above, the Headteacher agrees to consult with the CEO prior to any authorisation being given to the parent.

Each school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 15 days before the absence, and in accordance with any leave of absence request form, accessible via the school office. The Headteacher will require evidence to support any request for leave of absence.

Each case will be considered individually and on its own merits. Parents therefore need to consider very carefully before making any request for leave of absence. In considering a request, the school will take account of the following factors which may help to reach a decision:

- the exceptional circumstances stated that have given rise to the request
- time of the academic year when the leave has been requested
- duration of the absence – number of school days being missed
- the stage of the child’s education and progress and the effects of the requested absence on both elements
- the child’s current attendance and punctuality rate and overall attendance pattern
- exceptional term time leave requested/taken in previous academic years for a similar purpose
- whether the parent/carers made the request in advance
- pupils due to take any statutory testing arrangements (KS2 SATS, Y1 Phonics and year 4 MTC) will not normally be granted leave of absence.
- whether parent/carers have considered limiting the amount of time the child would

- be absent from school e.g. wrapping around school holiday
- have alternative care arrangements been considered by the parent/carer to limit the time away from school
- impact on any interventions, assessments or referrals being undertaken with the child or family e.g. family support, social care assessments, CAMHS, SEN
- the impact that the absence will have on the child.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request. Any request should be submitted as soon as it is anticipated and, where possible, at least four weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections [4.2](#) and [4.3](#) for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience

- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

Examples of any circumstances that are NOT exceptional are as follows:

- Holidays abroad for the purpose of visiting a sick relative, except where that person is seriously ill. Medical evidence will be requested.
- Holidays taken in term time due to lower cost/parental work commitments.
- To care for other family members
- Birthdays
- To interpret for other family members
- Friendship problems
- Head lice
- Weddings abroad – regardless of whether it is for immediate family members*
- Family Anniversaries
- School refusal

*(*The immediate family is a defined group of relations, used in rules or laws to determine which members of a person's family are affected by those rules. It normally includes a person's parents, spouses, siblings and children. It can contain others connected by birth, adoption, marriage, civil partnership, or cohabitation, such as grandparents, grandchildren, siblings-in-law, half-siblings, adopted children and step-parents/step-children, and cohabiting partners)*

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The Headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil

- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead. A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Where appropriate, and in collaboration with the Local Authority, the school may offer a parenting contract to formalise support and expectations. If attendance does not improve, the Trust may request an Education Supervision Order (ESO) via the Family Court, giving the LA a formal role in supporting the pupil and family. These legal tools will be used only after all supportive measures have been exhausted.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

Good and improved attendance is rewarded regularly through celebration assemblies with certification and in a variety of ways.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Regular meetings will be established to offer support with the senior leader for attendance and the Headteacher where appropriate.

7.2 Pupils absent due to mental or physical ill health or SEND

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

Regular meetings will be established to offer support with the senior leader for attendance and the Headteacher where appropriate to ensure everything is being done to support and promote good attendance.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

A meeting will be established to offer support with the senior leader for attendance and the Headteacher where appropriate

8. Attendance monitoring

All of our schools will:

- Monitor attendance and absence daily, data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average and share this with the executive leadership team and Support and Challenge Advocates.

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level. Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

From September 2024, all schools within Manor MAT will share daily attendance data with the Department for Education via our MIS (BromCom), in line with statutory expectations. This enables timely national monitoring and supports early intervention for pupils at risk of persistent absence.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends

- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see [section 8.4](#) below)
- Provide regular attendance reports to teachers to facilitate discussions with pupils and families, and school leaders (including SENDCo's, DSLs and Pupil Premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence

- Implement sanctions, where necessary (see [section 5.2](#), above)

Where persistent or severe absence is identified, schools will consider initiating an Early Help Assessment and may appoint a lead practitioner to coordinate multi-agency support. This includes working with the Local Authority's School Attendance Support Team, social care, health services, and other relevant partners to address underlying barriers to attendance.

8.5 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents/carers of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance

Breach of Policy

For staff: any breaches of this Policy will be managed under the Trust's Disciplinary Policy and Procedure, which can be located in the **All MAT Staff** area on Teams.

For pupils: any breaches of this policy will be managed according to our Safeguarding and Child Protection and Behaviour Policies.
